

Title of task: Going online (<i>week 1 - lesson 3</i>)				
CEF level: A2	Product: Facebook Page	Time 2,5 hours	Eng	Individual and group assignment
Product: <ul style="list-style-type: none"> A Facebook page 				
Situation/setting You have chosen a product that you will be pimping. To follow every step of this process, you will be setting up an online community where you will post the development of your product throughout the coming five weeks.		Tip Browse through other Facebook pages to get an idea of how your group wants to set up your own page. Here is one example developed especially for this project: http://www.facebook.com/pages/Pimp-my-Product/547883275233660 Don't forget to divide tasks so that you will work efficiently.		
Task Create a Facebook page for your product.				
Task info <ol style="list-style-type: none"> Go to YouTube and watch the tutorial on how to create a Facebook page: http://www.youtube.com/watch?v=WMwUoCLBeeQ Make sure that you upload a profile and cover photo Provide the necessary information about your product and group on the page Add all group members as administrators of the page Upload the written assignment of the second lesson on the page Send a link of the page to your teacher and your fellow students 				
General requirements <ul style="list-style-type: none"> You have created a Facebook page with all the points given within the 'task info' The Facebook page is usable for the group and 'ready-to-use' for the coming lessons
